## ABOUT ME

### DESIGN SPECIALTIES

I specialise in brand design and management, the design of books and complex documents, creative and technical illustration.

### MANAGEMENT EXPERIENCE

I have a proven track record in studio management, with a keen interest in improving and optimising internal communications, customer experience and workflow efficiency.

### EXPERIENCE AND BACKGROUND

I combine over 17 years' professional graphics studio practice with an academic background in printmaking, painting and drawing.

### COLLABORATIVE WORKING

I enjoy collaborating with other creatives and involving clients in the design process. I take a holistic view of any project I work on, paying close attention not only to overall aesthetics, but also fine details when proofreading and preflighting.

### CREATIVE APPROACH

I take a positive approach to problem solving, and bring lateral thought and an open-minded mindset to develop the most appropriate and cost-effective solutions for clients.
